

PACER Links in CM/ECF

Two new menu selections appear under the *Utilities* menu to allow one to navigate quickly between CM/ECF and PACER. You won't have to leave your CM/ECF session to access another court in PACER or to use the PACER Case Locator.

When the **PACER Case Locator** link is clicked, the Case Search Sign In page displays.

A screenshot of the PACER Case Search Sign In page. The top header is dark blue with the PACER logo and text 'PUBLIC ACCESS TO COURT ELECTRONIC RECORDS'. To the right are links for 'Manage My PACER Account', 'Manage My Appellate Filer Account', and 'Case Search Sign In'. Below the header is a navigation bar with links: HOME, REGISTER, FIND A CASE, E-FILE, QUICK LINKS, HELP, CONTACT US, and an RSS icon. The main content area is titled 'CASE SEARCH SIGN IN'. A yellow warning box states: 'Your browser must be set to accept cookies in order to login to this site. If your browser is set to accept cookies and you are experiencing problems with the login, delete the stored cookie file in your PC. Close and reopen your browser before trying again.' Below this is a 'Login' form with fields for 'PACER Login:', 'Password:', and 'Client Code:'. There are 'Login' and 'Cancel' buttons. Below the form are links for 'Need an account?' and 'Forgot your password?'. At the bottom, a 'NOTICE' states: 'This is a restricted government web site for official PACER use only. Unauthorized entry is prohibited and subject to prosecution under Title 18 of the U.S. Code. All activities and access attempts are logged.'

PACER Links in CM/ECF

The following updates have been made to the PACER Case Locator, provided by the PACER Service Center:

- Attorney information is now extracted for bankruptcy and adversary cases
- Alias records are now returned by a search based on SSN/ITIN or Tax ID/EIN
- Debtor and Joint Debtor Disposition values are extracted on all cases for which a disposition exists.

The [Link to Other Courts](#) displays the Individual Court PACER links without leaving CM/ECF.

The screenshot shows the PACER website interface. At the top, there's a navigation bar with links: HOME, REGISTER, FIND A CASE, E-FILE, QUICK LINKS, HELP, CONTACT US. The 'FIND A CASE' section is highlighted. Below it, there's a sidebar with 'FIND A CASE' and 'PACER Case Locator'. The main content area is titled 'INDIVIDUAL COURT PACER SITES' and contains a list of court links organized by court type: U.S. Supreme Court, National Locator, U.S. Courts of Appeals, U.S. District Courts, and U.S. Bankruptcy Courts. Each court type has a list of links to its respective PACER site, with icons for ECF, RSS, and Court Information.

Docket Report Enhancements

The Create Appendix option has been modified so you have more flexibility in customizing a docket report. Now you can select only the entries you want and whether you want the PDF document appended to this customized report. Or, if you just want an abbreviated docket report without attached PDF documents, you can select only the entries you need for the task at hand.

The screenshot shows the ECF Docket Sheet interface. At the top is a blue navigation bar with the ECF logo and tabs for Bankruptcy, Adversary, Query, and Reports. Below the navigation bar, the title "Docket Sheet" is displayed. The main form area has a light pink background. It includes a "Case number" field with the value "10-10010" and a "Find This Case" button. Below this are radio buttons for "Filed" (selected) and "Entered", each followed by a date range selector. There is also a "Documents" field with a "to" label and another date range selector. Under the heading "Include:", there are three unchecked checkboxes: "Terminated parties", "Links to Notices of Electronic Filing", and "Page counts for documents". Under the heading "Document options:", there are two unchecked checkboxes: "Include headers when displaying PDF documents" and "View multiple documents". A red rectangular box highlights a section containing a checked checkbox for "Create Appendix". Below this checkbox, the text "Include on the Docket Sheet:" is followed by two radio buttons: "all docket entries in this case" (selected) and "selected docket entries only". At the bottom of the red box, there is a checked checkbox for "Include PDF documents" with the text "(select documents on the next screen)" below it.

Page Counts on Docket Report

The number of pages for documents associated with a docket entry is a new option.

The screenshot shows the ECF Docket Sheet interface. At the top, there are tabs for Bankruptcy, Adversary, Query, and Reports. The 'Docket Sheet' title is in blue. Below the title, there is a 'Case number' field with '10-10010' and a 'Find This Case' button. There are radio buttons for 'Filed' (selected) and 'Entered', followed by date pickers and a 'to' label. Below that is a 'Documents' field with a date picker and a 'to' label. The 'Include:' section has three checkboxes: 'Terminated parties', 'Links to Notices of Electronic Filing', and 'Page counts for documents' (checked and highlighted with a red box). The 'Document options:' section has three checkboxes: 'Include headers when displaying PDF documents', 'View multiple documents', and 'Create Appendix'. Below this is the 'Include on the Docket Sheet:' section with two radio buttons: 'all docket entries in this case' (selected) and 'selected docket entries only'. At the bottom, there is a checked checkbox for 'Include PDF documents'.

Knowing how big a file is helps PACER users predict the cost of viewing an attachment and also to anticipate the loading time of a document.

Docket Activity Report

The Docket Activity Report has been enhanced to include time filters. The report can be run in time increments, rather than running the report for the entire day. A new clock icon offers an alternative to typing in the time.

The screenshot shows the ECF Docket Activity Report form. At the top is a navigation bar with links: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below the navigation bar is a warning message: "Warning: you will be billed for the total number of pages (this report is not subject to the 30-page limit on PACER charges)." The form includes fields for Case number, Office (Green Valley, Pleasantville), Case type (ap, bk), Category (answer, appeal, auditor), and checkboxes for Open cases, Closed cases, Summary Text, and Full Docket Text. A date range field shows "Entered 5/18/2012 to 5/21/2012" with a red arrow pointing to a clock icon. Below the date range is a "Sort by" dropdown menu set to "Case Number". At the bottom are buttons for "Run Report", "Clear", and a checkbox for "Make these options my default".

Calendars and 341 Meeting

You can now view All Hearings without the 341 Meeting settings included. A 341 Meeting selection has been added to the hearing type list.

The screenshot shows the ECF Calendar Events form. At the top is a navigation bar with links: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below the navigation bar is a "Case number" field. The "Office" dropdown menu shows "Pleasantville (1)" and "Green Valley (4)". The "Type" dropdown menu is highlighted with a red arrow, showing "All Hearings", "341 Meeting", and "Confirmation Hearing". To the right of the "Type" dropdown is a "Set" field with a date range and a "Time" field with a clock icon. Below the "Time" field are radio buttons for "AM only", "PM only", and "Both". Below the "Time" field is a "Sort by" dropdown menu set to "Time". Below the "Sort by" dropdown is a section for "Initial display of related proceedings:" with radio buttons for "Expanded" and "Collapsed". At the bottom is a checkbox for "Display only proceedings directly related to the calendar event" and buttons for "Run Report" and "Clear".

The daily and monthly calendars and the deadlines and hearings report also have this new 341 Meeting option.

Query

New query options have been added:

- Filed Date range,
- Last Entry Date range
- Nature of Suit.

Warning: you will be billed for the total number of pages (this report is not subject to the 30-page limit on PACER charges).

If multiple Nature of Suits are selected for a query, CM/ECF displays a message that the search could produce many records and lead to a large billing charge.

Multiple Social Security and Identification Numbers

CM/ECF now allows up to five social security numbers and tax identifications numbers for each debtor and joint debtor.

After a social security number is entered a plus icon appears beside the SSN/TaxID/EIN field. If the debtor or joint debtor has another SSN/TaxID/EIN, click the “plus” icon for another field to be displayed for additional number(s). CM/ECF will now format the numbers if you don’t insert hyphens.

The screenshot shows the CM/ECF web interface for entering Debtor Information. The form includes fields for Last name (Adams), First name (Donna), Middle name, Generation, Title, SSN/ITIN (589-56-8956), Tax Id/EIN (12-1234567), Office, Address 1, Address 2, Address 3, City, State, Zip, County, Country, Phone, Fax, E-mail, and Party text. The SSN/ITIN field is highlighted with a red box, and a plus icon is visible next to the number 589-56-8956, indicating that additional numbers can be added. Below the form are buttons for Alias..., Corporate parent / affiliate..., Review..., Submit, Cancel, and Clear. A note states: "Add all aliases and corporate parents or affiliates before clicking the Submit button."

All SSN and TaxID/EIN numbers have been included in all reports and functions throughout the application:

- On public notices and docket sheets only the last four digits of any social security or identification numbers are displayed.

Notice of Electronic Filing

In prior releases, when an attorney represented more than one party in a case, the attorney's email and party information were listed on the Notice of Electronic Filing (NEF) only for the first party. Now the attorney is listed for each party they represent.

Although an attorney may be listed multiple times on an NEF, the system will not send multiple emails.

The screenshot displays the ECF (Electronic Case Filing) system interface. Attorney and Party Association

When an attorney or trustee files a pleading, they are prompted to indicate whether they should be linked to the party they represent. In prior releases, the checkbox for the association with the attorney and party was unchecked and if the filer did not check the box, the association was not made. The checkbox for the association with the attorney and party is checked by default. The message has been updated to reflect the implications of omitting this necessary association.

If multiple attorneys exist for various parties, the role and attorney are listed, separated by semicolons, in the same field. For parties without an attorney, the text “Pro se” is displayed instead of the attorney name.

Claims Summary Report

A Claims Summary Report option has been added to the Claims Register. This new format gives the viewer a snapshot overview of the claims on the case.

The screenshot shows the ECF Claims Register interface. At the top is a navigation bar with links: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below this is the 'Claims Register' section. It contains several input fields: 'Case number' (1:12-bk-10031), 'Creditor type' (dropdown menu with 'Creditor' and 'Administrative' options), 'Creditor number' (input field), 'Creditor name' (input field), 'Claim number' (range input), and 'View multiple documents' (checkbox). There are also date pickers for 'Filed' (1/1/1990 to 6/4/2012) and 'Entered'. A 'Sort by' dropdown menu is set to 'Claim Number'. The 'View claims summary report' checkbox is checked and highlighted with a red box. At the bottom are 'Run Report' and 'Clear' buttons.

The Claims Summary Report box produces a condensed list of claims.

The screenshot shows the 'Claims Summary' report for case 11-10004 Clinton H. Vesperman and Anna C. Vesperman. The report includes case details: Type: bk, Chapter: 13, Office: 1 (Pleasantville), Assets: y, Judge: ls, Date Filed: 03/10/2011, Last Date to File Claims: 07/07/2011, Last Date to File (Govt): 09/06/2011, and Trustee: Kathleen Nelson. Below this is a table of claims with columns: Claim #, Amount claimed *, Date filed, Creditor number, and Creditor name. A tooltip is visible over the first claim's amount, showing a breakdown: Amount claimed: \$37334.27 and Secured claimed: \$37334.27. At the bottom, it states 'Total Number of Claims: 8' and provides a summary of 'Total Amount Claimed *' (\$215060.51) and 'Total Amount Allowed *'. A note at the bottom states '* Includes general unsecured claims'.

Claims Register View Multiple Documents

One can now view multiple documents from the Claims Register in one PDF file. This is the same functionality as View multiple documents on the Docket Report. This feature will enable you to generate selected PDF claims with any related attachments in one PDF document.

The screenshot shows the ECF Claims Register search interface. At the top is a navigation bar with links: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. The main heading is "Claims Register". Below this are search filters: Case number (1:11-bk-10004), Creditor type (dropdown menu with "Creditor" and "Administrative" options), Creditor name, Claim number (range), Filed/Entered radio buttons, Sort by (dropdown menu with "Claim Number" and "Filed Date" options), and a checkbox for "View claims summary report". A red box highlights the "View multiple documents" checkbox. At the bottom are "Run Report" and "Clear" buttons.

The Claims Register will include a checkbox next to each claim, claim attachment, or claim related proceeding to customize this document. Each PDF selected will be combined into one large PDF file. You could view or print all claims on a case or all PDF documents from certain creditors if desired.

Case Conversion

Previously, if a case was converted and re-converted, the Notice of Bankruptcy Case Filing query screen reflected the converted chapter rather than the original chapter. Now the original chapter is saved permanently in a new field. The original chapter will be correct for cases filed and converted after Release 5.

The screenshot shows the ECF interface for a bankruptcy case filing. The header includes navigation tabs: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout.
