

UNITED STATES BANKRUPTCY COURT FOR THE EASTERN DISTRICT OF
PENNSYLVANIA
JUDICIAL FEEDBACK SURVEY FOR JUDGE PATRICIA M. MAYER

Judge Patricia M. Mayer of the United States Bankruptcy Court for the Eastern District of Pennsylvania asked the [Federal Judicial Center](#) (FJC) to survey attorneys and trustees to obtain feedback about her judicial performance. The FJC is the research and education agency for the federal courts. The judge's decision to ask the FJC to conduct this survey is entirely voluntary and reflects Judge Mayer's ongoing commitment to provide the highest level of public service possible.

During the week of **March 30, 2026**, the FJC will send an email invitation to attorneys and trustees who have practiced before Judge Mayer in the past five years. That email will explain how to access and complete an online questionnaire.

The survey procedure is set up so responses are anonymous, even to the researchers. Research staff at the FJC will compile the responses and provide Judge Mayer a report. The report will include the comments that are provided in response to the open-ended questions, and tables or figures aggregating the results for the closed-ended questions. The survey report is exclusively for Judge Mayer's use in improving her performance.

If you do not receive an invitation email from the FJC and are an attorney or trustee who wants to participate, please contact Meghan Dunn at mdunn@fjc.gov.

If you have questions about the survey or encounter any technical difficulties, please also contact Meghan Dunn.
